

Practice Goal/mins. per day: \_\_\_\_\_

# WEEKLY PRACTICE LOG

Name: \_\_\_\_\_

Week of: \_\_\_\_\_

| Day of the week                        | Song(s) Practiced | How many minutes did I practice? |
|--|-------------------|----------------------------------|
| Monday                                 |                   |                                  |
| Tuesday                                |                   |                                  |
| Wednesday                              |                   |                                  |
| Thursday                               |                   |                                  |
| Friday                                 |                   |                                  |
| Saturday                               |                   |                                  |
| Sunday                                 |                   |                                  |
| <b>TOTAL TIME PRACTICED THIS WEEK:</b> |                   |                                  |

Notes/What did I have trouble with? What do I need help with?
